

Step 1 – Consoles and Wall Clasp - Choose a wall (left or right) to install the wall clasp (*photo shows left*)

Console on the wall clasp side should be about 2”- 3” (5-8cm) from the wall. Attach consoles to the ceiling. *Distance between centers of consoles: 42” (107cm).*

Attach wall clasp to the wall. *Approximately 5 ft (150 cm) from the floor.*

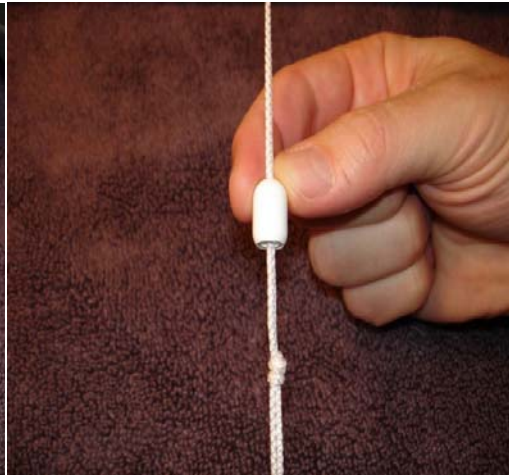

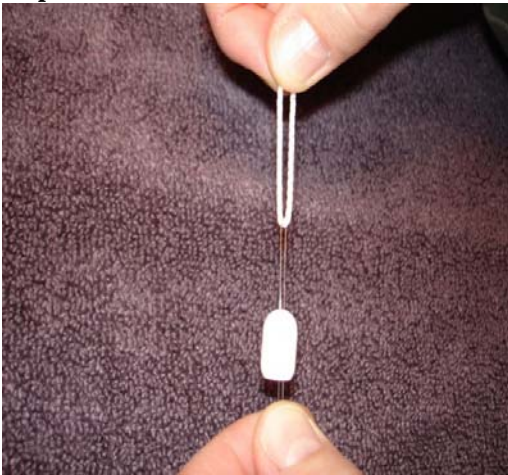

Step 2 – Cords and Rods **Attention: Do not cut the cord.**

Pull cord through consoles as shown on the photo. *(Use supplied bobby pin)*

Tie a single knot at each end of the cord and insert cord ends into caps *(without taking off end caps from the rod)*

Step 3 – Cords and Beads

Pull looped cord through 2 beads. *(Use supplied fishing line)*

Tie a knot for bead 1 – so that the rod is in the ceiling position. Tie a knot for bead 2 – so that the rod is in a comfortable position for hanging wet clothes.
